What are some ways to incorporate lessons from your parents in your relationship?

Cupid's Advice:

Even though relationships are special and unique to each individual person, we can still look towards others for examples to follow. Growing up we rely on our parents to teach us new life lessons and to help us grow, this doesn't have to end when we are adults. Cupid has some advice on ways to incorporate lessons from your parents into your relationship:

1. Ask for your parents advice: Hearing about your parents' experience might help you in your own. There's nothing wrong with asking for your parents' advice or help when it comes to your love life. It can be good to grow and learn from their past mistakes or incorporate things your parents did that worked into your own relationship.
