

Did Heidi Montag Have a Crush on her Plastic Surgeon?

Heidi Montag says she's madly in love with her husband, Spencer Pratt, but did she have eyes for someone else? According to [RadarOnline](#), the former *Hills* star may have had a secret crush on her plastic surgeon, Dr. Frank Ryan, who recently died in a car accident. In fact, sources say that the crush bordered on obsession. Montag tried to see Frank as much as possible, going so far as to get ten plastic surgeries in a single day. "I believe she was romantically obsessed with him ... She saw him as a knight in shining armor," says Dr. Ryan's close friend, Dawn DaLuise. How can you tell if your partner is obsessive?

Cupid's Advice:

Though Heidi Montag and Dr. Frank Ryan weren't dating, many

relationships can go sour due to an obsessive partner. Cupid has some tips on how to tell if your partner's *too* into you:

1. He checks in constantly: There's nothing wrong with the occasional text or phone call when you and your partner are apart. But if your special someone is constantly bugging you about where you are and who you're with, maybe they shouldn't have your number!

2. He's overly jealous: Jealousy is inevitable in any relationship, but if your partner is questioning you about every friend you're texting and wincing when you talk to a member of the opposite sex, he may be confusing love with infatuation.

3. He shows up uninvited: It's one thing if your boyfriend graces your workplace to give you flowers on a special occasion and quite another if he's constantly showing up uninvited. You may want to have a serious talk about boundaries.
