By Sanetra Richards

The wedding bands are off for! According to UsMagazine.com, Evan Rachel Wood and Jamie Bell have decided to go their separate ways after two years of marriage. In an exclusive statement, a rep told *Us*, “Evan Rachel Wood and Jamie Bell have decided to separate. They both love and respect one another and will of course remain committed to co-parenting their son. This is a mutual decision and the two remain close friends.” A source also added, “They love each other so much but it just wasn’t right.” The pair met back in 2004 on the video set of Green Day’s “Wake Me Up When September Ends” and walked down the aisle eight years later in 2012. The 26 and 28-year-old also welcomed a new addition to their family last July. The new mom shared with *Us* in November what motherhood was like and her busy schedule: “I’ve been having separation anxiety because I’m so used to him being right here all the time. They kind of become a part of you, you know?” said Wood as she blushed about their baby boy. “It was my dream to be a mom, so I’m loving it. I love it.” “He’s smiling and laughing. He started rolling over,” she went onto add about his steps through babyhood. “He’s grabbing things. You know, he’s making oohs and aahs.” The couple’s last red carpet appearance was also back in November for the LACMA 2013 Art + Film Gala held in Los Angeles.

How do you know when it’s time to call it quits on your marriage?

Cupid's Advice:

Unfortunately, every marriage cannot be salvaged, and it's best to know when you should part ways before letting time pass you by. Here are a few things Cupid thinks will help you come to the realization:

1. Everyday bickering: The time you spend together is consumed by arguments, whether petty or major. And at the end of the day, you and your partner cannot come to an agreement on anything. Compromise definitely does not exist in your household! Pay attention to the disputes revolving around some of the smallest issues and if there is constant finger pointing. Although proper communication can repair a relationship, there is not a 100% guarantee.

2. Future? More like past: Your significant other starts off as a good time – you can see planning and building your entire life with him/her . . . but then you begin to realize that you do not see them in your future. The dream of making a home, starting a family, etc., slowly vanishes. The nitpicking and dislikes become greater than ever – and so does calling it quits.

3. Attraction fizzles: No more wild and spontaneous dates, or romance, period. You no longer desire to have your partner around. Do not ignore the warning signs! Keep in mind, they are always there before the storm approaches.
