What are some ways to personalize your wedding?

Cupid's Advice:

Not all weddings are supposed to be traditional and classic. Pick a style that matches your personality as a couple, the

more creative the better. There are so many romantic and adventurous ideas, you just have to find the one that is right for you:

1. Choose a destination: If you are looking for a more personal feel in an exotic place, a destination wedding is just for you. Instead of going all-out in a local venue, a different city, state, or even country can spice things up for you and your honey. Choose a place that means something to you, like where you grew up, where you'd want to live together, or even a place you've always talked of visiting together.

2. Pick a crazy theme: Nothing says personality like a themed wedding. Put on your thinking cap and come up with an idea that fits the style of you and your man. Whether it's Harry Potter, under the sea, rustic, backyard country style or even murder-mystery, there are so many different ideas to choose from. Keep in mind that your wedding day is about you and your partner, so pick what you want, and don't take other people's opinions too seriously. P.S. Themes make the best wedding photos!

3. Get nostalgic: Demonstrate who you are as a couple by busting out all of your favorite memories. Decorate the venue with your favorite and silliest couple-photos and memories to truly show who you are together. Try making memory boards for your guests, so they can write down their favorite memory for you and your love to read after the wedding.
