With the heat of the summer quickly approaching, our skin is preparing to go to war. The harsh sunlight and the extended hours baking in the sun aren't exactly promoting healthy

skincare. So what happens when you have a big date coming up, and your skin resembles a dried out jellyfish? Don't fear, we have found a true summer treasure for you!

A deeply-hydrating beauty oil for lustrous and visibly radiant skin is the answer to all of your dry-skin worries. The latest addition to the Jergens® Shea Butter Collection, new [Jergens Shea Beauty Oil](#) is guaranteed to indulge your skin in the sweetest of treats. Delivering an amplified radiance visibly noticeable moisturizing strength and coveted sheen, giving you younger-looking and better feeling skin.

This unique body luminizer quenches your skin's thirst with six times more radiance, sheen, and hydration. Thus giving your skin an irresistibly touchable feel that your man won't be able to keep his hands off of.

The best part is this lightweight, fast absorbing beauty oil for the body harnesses the nourishing and sheen enhancing ingredient, Argan Oil, and combining it with the conditioning and illuminating ingredient, Shea Butter. This dynamic duo is bound to keep your man's eyes locked on you all night long.

This summer's survival secret is available in all major retail and grocery stores nationwide, with skin's best defense against dry summer skin bottled up for a mere price of \$9.99.
