How do you personalize your wedding festivities?

Cupid’s Advice:

A wedding is the perfect event to add your own personal ideas and touches to. After all, the entire ceremony is devoted to you and your partner. During all of the chaos that may be happening, it is possible to lose that vision you once had in mind. You may even find yourself adding the not so favorable ideas of others. So, how do you go about making it your own? Cupid has some tips to keep in mind while planning:

1. Venue: Try not to settle for a location that does not make your eyes light up every time you see it. This is your opportunity to decorate in any style you desire and let your creativity flourish throughout the decor. Your venue will reflect the wedding style you are aiming for.
