What are some ways to make your anniversary special?

Cupid's Advice:

Anniversaries can mean something different to every couple. Some may just acknowledge it as another year spent together

while others may wish to celebrate the fact that their relationship is yet another year stronger with many more to hopefully come. Here are Cupid's tips for any couple hoping to make their anniversary something special.

1. Make it unique and intimate. Some couples have little inside jokes, shared favorite things, or special rituals. This is a day about you two, so make it unique to your relationship. Share your favorite foods, go to the place where you first met, or make a CD of all your favorite songs while you just enjoy each others' company.

2. Try something different. On the other hand, maybe it's time to add a new memory to the relationship. Maybe you could take a cooking or painting class together, or take a road trip to a place you've never been. After years of being together, maybe it's time to spice things up, and this is a perfect chance to do just that.

3. Give them your full attention. This day is about you and your partner, so make a point to show them that you take this day seriously. If it's a weekend, put away your phone and don't check your email. If it's a workday, call them during lunch or send them a small gift at the office. Show your partner that you know just how special this day is and how amazing the year has been.
