

# Pregnant Mila Kunis Goes On Burger Date with Ashton Kutcher

By Sanetra Richards

Mila Kunis is comfortably eating for two. The 30-year-old actress was spotted out in a nice black tank top and blue jeans with fiancé Ashton Kutcher as they finished grabbing a bite to eat at The Counter, a burger restaurant located in Studio City. The former costars announced a couple of months ago that they are expecting their first baby together. In the photo, Kutcher was seen opening the car door for the mommy-to-be. It's no surprise that Kunis has been dining out as of lately – she is indeed a growing woman. According to [UsMagazine.com](http://UsMagazine.com), a source said the *Jupiter* star enjoyed a meal

with her mom at Blu Jam Cafe in Sherman Oaks, as the two watched the final World Cup game. "I eat sauerkraut all day long," the actress spilled about her cravings in an interview with Ellen DeGeneres. "[It's] the worst craving to have because sauerkraut smells and so every time you open up a jar, it just reeks in the whole kitchen...It's not like ice cream where everything smells lovely."

**What are some ways to make a mundane date special?**

### **Cupid's Advice:**

When going on dates becomes a regular thing and the excitement begins to slowly fade away, a problem has surely presented itself. If you sort of shrug your shoulders at those "regular" dates, it is time to put the spark back into it. Cupid has some ways to turn your boring dates into what they used to be:

**1. It's not all about the location:** It's more so about who you are with. The date can be at burger shack (like Ashton and Mila), or it can be at a five star restaurant. No matter which end of the scale, the date can go either two ways: really good or really bad. The five star restaurant can be a disaster. The burger shack date can leave you with butterflies and a lifetime memory. It is indeed all up to you and your date to make worth each other's while. (Who wouldn't smile at a heart made of fries?)

**2. Have a little life in you:** Do not be the person who is equivalent to a brick wall during conversation. If the dialogue does not just flow like in some instances, find topics to talk about. Seem intrigued! Ask them about their day, or what is it they may like about the location of the date . . . something. Show that you are made up of emotions, one being excitement. Also, remember your inner child – act a little silly every now and again. You will keep things

interesting.

**3. Spice it up:** Even if you are going to that burger shack as mentioned before, maybe dig out an outfit from the back of your closet, spray on your once in a lifetime perfume, and apply your favorite lipstick. The date will take you back to your first, and you and your partner may even spend a few moments reminiscing on the past.
