Since technology has evolved, it's also taken over our love lives. And, with more and more individuals leading busier lives, or resorting to long-distance relationships, sometimes, showing your love through a text message is the easiest and simplest way to get the job done. But, showing emotions through texting can be tricky. So, Cupid has come up with a few ways on how you can show your love through SMS.

1. Focus on the WHY: Couples tend to go back and forth with saying the phrase, "I love you." But, stating the reasons why you love someone seems to happen less and less. Try sending your partner a text stating why you're in love with them or why you fell in love with them.

2. Quote love songs or poetry: Do you know your partner's favorite love song or poem? Even just pulling a few lines from a well known love song will do. Try texting those lines to your partner during the day. You could try texting a few lines at the same time, or, make it last and spread out the lines throughout the day.

3. Create a scavenger hunt: Now, this one may require a little more work, but it's doable! Try hiding your partner's favorite candy around the house, or love notes, and clue them in to where the items are hidden via text message.
