What are some fashion must-brings for your honeymoon?

Cupid's Advice:

You might not be single and looking to impress anymore, but that doesn't mean you can't look drop-dead gorgeous on your honeymoon. If anything it gives you more of a reason to look stunning and show your man just how lucky he is to have you as his own. Here are some ways to look amazing on your honeymoon:

1. Bring a new, body-flattering bikini. If you're going somewhere tropical for your honeymoon, you can bet that you'll want to spend some time at the beach or by the pool. Show off your beach body with a bikini that flatters your shape and lets everyone know that just because you're married doesn't mean you're boring.

2. Bring some comfy, yet stylish jeans or shorts. This is your honeymoon, and you're meant to relax and enjoy it. After all the stress of planning a wedding and trying to find the perfect dress, you need to have some clothes that let you just breathe and have fun.

3. Bring your cheesy 'just married' clothes. It might seem silly at first, but this might be the only time you can ever pull off wearing these little 'just married' styles. It can be something as simple as a bracelet or all-out with matching shirts for you and your husband. Not only are they adorable for the honeymoon, but you can keep them for the memories and show them to your kids in the future.
