

Single in Stilettos Show: Why He Didn't Call You Back

On this week's [Single in Stilettos](#) show, founder Suzanne Oshima talks to dating coach Mr. Locario about the reasons why he didn't call you back. He explains five possible scenarios, straight from a man's point of view: He already has a girlfriend; he never really liked you in the first place; he's scared of or intimidated by you; he's just a player; or he views dating as nothing more than a game.
