How do you deal with your partner’s temper?

Cupid’s Advice:

Everyone gets angry sometimes, but some of us have a hard time controlling our temper. If your partner has that problem, here are some ways to deal:

1. Anger equals passion: If your partner has a temper, it means he is a passionate person who feels deeply. Keep that in mind before you judge.

2. Seek help: If your mate's anger gets out of control, suggest therapy or anger management. Tell them you care about them and want them to be healthy and happy.

3. Get away: You can only live with your partner's anger issues up to a certain point. If he becomes violent, leave immediately and call the police.
