How do you know if your partner is in a relationship with you for the right reasons?

Cupid's Advice:

There's nothing worse than learning that your partner is with you for a reason outside of genuine respect and interest. Cupid has some tell-tale signs that your partner may not be sincere:

1. They don't listen and ask questions: If your partner doesn't seem interested in hearing about your day or listening to your opinions on things happening in the world, then you may want to think twice.

2. They're always looking for credit: When your partner does something nice for you, he/she shouldn't be looking for credit after the fact. If it seems that your mate is always looking for a pat on the back after he does something for you, it's best to find out why.

3. You catch them in lies frequently: It would be tough to find someone who has never told a lie, but if you catch your partner being dishonest about things more than occasionally, he/she may not be sincere about your relationship.
