## What are the benefits of settling down like this celebrity couple?

### Cupid’s Advice:

It’s a rare thing to find someone who can consistently make you happy and make you feel safe. Making a commitment to someone can ease your stress as well as give you a feeling of security. As this celebrity couple now knows, settling down is actually extremely beneficial to the heart, body, and soul. Check out these top three pieces of relationship advice as to why you should snag a piece of man candy:

**1. You can stop playing the game:** The dating game includes courting, flirting, and guessing your partner’s next move. It creates a lot of unnecessary stress for both parties, and that’s before factoring in other women, other men, differences in opinion, being afraid to voice your feelings, etc. When you settle down, you and your partner are able to retire from the drama and enjoy your time together. In turn, you are also able to experience peace together for the first time. The commitment you make to one another is symbolic of your publicized feelings for one another, and no one can interfere with that unless you let them.

The two of you will be able to make each other a priority and learn to grow together as a couple. You'll become more goal-oriented and begin to realize what truly matters in life.
