Celebrity relationships are often discovered sooner than they're meant to be. Luckily, you have more control! What are three creative ways to announce your love to family and friends?

Cupid's Advice:

Announcing a new relationship is definitely an exciting moment! There are butterflies in your stomach and love in your heart. You probably feel higher than a kite! But with Facebook being a worldwide staple, the "surprise" element of announcing a new relationship has been diminished. So we've come up with a few ways that you can take a cue from the hottest celebrity relationships and get creative with your announcement:

1. Utilize the element of surprise: Like Grande and Big Sean, confirm your relationship with a subtle surprise. For example, if the two of you are going out with friends or to dinner with family, you could try walking into the room holding hands to get the conversation started. Or if you're really daring, plant a quick kiss in front of your loved ones.

2. Take advantage of social media: Ok, so we can't deny the use of technology to get the message out there! After all, almost everyone is online these days. Posting a picture of you and your new significant other holding hands, kissing, etc. might be the way to go. This way, you'll be able to acceptably use a ton of hashtags and get the word out to your favorite people in one easy move.

3. Use Snapchat: Like Instagram, Twitter, or Facebook, this is a great way to get the word out quickly! You can take a picture similar to the one mentioned above and come up with a great caption like, "He's all mine!" The beauty with Snapchat is that it allows you to select which contacts in your phone receive the message, so you can make it as private as you'd like.
