Women around the world wept when the news of Adam Levine's engagement and wedding was announced. The Maroon 5 lead singer is easy on the eyes, so it's surprising that it took someone so long to nab him! As reported by UsMagazine.com, *The Voice* coach and his Victoria's Secret model wife Behati Prinsloo attended the 2014 MTV Video Music Awards in their first official outing since they said their vows earlier this summer. The pair were gorgeous and looked so in love as they strolled down the red carpet. We wish them a lifetime of happiness!

What are the pros of being a married couple rather than just being in a relationship?

Cupid's Advice:

Being in a committed relationship with someone is a wonderful experience, and when the two of you decide that it's time to get hitched, your love reaches a new level. You both care for and trust each other enough that you're willing to commit for the rest of your lives. Here are a few perks that go along with being a married couple:

1. Honeymoon phase: One thing that people always talk about is the so-called honeymoon phase that newlyweds experience. There is an overwhelming sense of joy now that your wedding is finally over. It's time to relax and just enjoy each other's company as a married couple.

2. You're now a unit: After you and your partner officially tie the knot, those around you will see you as one. Your marriage shows your family and friends that you have made a lifelong commitment to one another and are completely dedicated to each other. Your relationship has hopefully grown stronger because of this big step!

What positive experiences have you had now that you and your partner are married?
