What are three important conversations to have before reuniting with an ex?

Cupid's Advice:

Sometimes it's good to give second tries to relationships. Want to give it a try? Cupid has some advice on how to talk things out:

1. Ask questions: Are there still feelings there for one another? Why did the relationship fail in the first place? All questions to ask. It's important to address past issues so that you can then move forward.

2. Seeing passed what happened: Some things are forgivable/forgettable, while others are simply things you

can't get past. Determine which category your past issues fall into, and then go from there.

3. Things are going to change: Come to terms with the fact that things are going to change moving forward. There's a reason things didn't work out in your relationship the last time, and the only way it's going to work on moving forward is if some important things change.
