Cupid's Advice:

After a long marriage and a painful divorce, it can be tough to know when it's time to pick back up and move on. Cupid has some love advice that this new famous couple could also benefit from:

1. Check your heart: Has your heart healed enough to let someone new in? It's important to allow ample time to recover before jumping into a new relationship and love. This not only protects you but also your potential rebound selection.

2. Wrap it up: It's often easiest if there are no lingering questions surrounding your divorce before you move onto a new relationship. The divorce process is one of the biggest pieces of "baggage" someone can have, and it makes things much simpler if everything has been organized and dealt with *before* a new relationship begins.

3. You've gone through the stages: As with any tragedy, there are stages of grief to cope with. Make sure you're through anger and intense sadness before drawing anyone else into your world. This can save a lot of hurt down the line.
