Cupid's Advice:

Hospitals are not very hospitable. Cupid has some tips to help your partner feel special when coming back home after the birth of a child:

1. Cook: Before their arrival home, cook her favorite homemade meal for her to have in bed. She'll no doubt be tired and will want some relaxation and sleep after a couple taxing days in the hospital.

2. Decorate: If she already has kids, nieces or nephews, have them make a hand crafted banner to hang for her to see as she walks in the doors. She'll love the sentiment!
