What are some ways to keep the intimate details of your relationship under wraps?

Cupid's Advice:

In our society today, it's hard to maintain privacy due to the fact that we are living in the age of technology. It can be difficult to keep all of the intimate details of your relationship behind closed doors. Cupid has some ways to keep the intimate details of your relationship under wraps:

1. Your lips are sealed: Kiss and DON'T tell! If you keep the intimate details of your relationship to yourself, then nobody else can find out and it will remain confidential. It's totally understandable to discuss the personal aspects of your relationship with your close friends and family. However; make sure it's people you can fully trust. Also keep in mind, you never know who is overhearing your conversations – so make sure the stories you are discussing are those that you don't mind if the world were to know. It's safest to keep your lips sealed, just not too sealed!

2. Pay attention puhlease: With the internet and social media, news spreads rapidly like wildfires. People talk and gossip, people post and blog. Since this can occur so quickly, the information isn't necessarily true – but that won't stop the private details of your relationship from being out there. Don't post too much information online. It's a good idea to monitor your social media and make sure you always have tabs on the whereabouts of your phone, laptop, camera, video-camera, iPad, iPod, etc. You never know when those could be stolen, if someone has made copies of your information, or if someone has hacked into your personal accounts. Monitoring these will allow you to maintain the privacy you deserve!

3. What happens in 'Vegas' – stays in 'Vegas': It's human nature to want to have privacy in your life and, of course, in your relationships too. When in Rome, do as the Romans do. It's absolutely acceptable to live your life and engage in the kind of relationship that you and your partner both decide on. That being said, it can be really nice to keep the details between you and your partner only. There is a big difference between you and your partner being private, and keeping the entire relationship a secret. It can be refreshing to keep things between just you two. It provokes an 'us against the

world' type of feeling which can be enticing!
