What are three unique ways to announce your wedding date?

Cupid’s Advice:

Tired of the same old boring save-the-date announcements? No need to worry! There are so many fun ways to share your wedding date with your guests, and Cupid wants to help. Here are three unique ways to announce your special day:

1. Photo strip bookmarks: Find a local place to take pictures in a photo booth with your fiancé. Take the photos while holding up cute signs with details of your wedding. You can include only the date or add the location if you’ve made more definite plans. Make as many copies as needed and send them to all of your friends and family so they can “mark” the event on their calendars!

2. Match books: Get custom-made matchboxes that have the date of your wedding written on them. You can also put a cute phrase on the box that goes with your theme – something like, “Get ready to see sparks fly!” Not only is this idea adorable, but it’s super easy. Check out Etsy and Pinterest for more inspiration.

3. Put it on film: If you and your partner want to go a more extravagant route, produce your own save the date video. Work

with someone who knows about cinematography and show your love story on film with the ending revealing your wedding date. Send the video out to your guests via e-mail.
