Cupid's Advice:

Not everyone is as lucky as Jenner when it comes to her daughter's approval of her celebrity relationship! You may like your new partner, but what if your kids think otherwise? Cupid has some relationship advice to make this easier on all of you:

1. Be open: Talk to your kids, and explain your feelings to them. If you like someone who they don't, share why you like this person so much. Likewise, listen to why they *don't* like the person. Seeing the situation from the opposing point of view may help matters.

3. Be honest: Let them know how happy you are and let them know that you understand that it'll take time for them to adjust. Remind them that you don't expect them to form a bond with your new beau overnight.
