What are some ways to decide whether to give your ex a second chance?

Cupid's Advice:

Second chances are a tricky business because most of the time there was a valid reason why the relationship came to an end. But if you want to try again, here is some advice on how to decide:

1. Review the results: Although it is good to not dwell on the past, in this particular situation you should go back and remember what went wrong and what went right. From there, determine whether it could work moving forward.
