

'Cake Boss' Star Buddy Valastro Arrested in NYC for DWI

By Amanda Boyer

Star of the hit TLC show *Cake Boss*, Buddy Valastro, was arrested in NYC on Thursday, Nov. 13, on drunk driving charges and received a DWI. According to USMagazine.com, the police spotted his corvette along a local road “driving erratically” around 1 a.m., and he was immediately pulled over. CupidsPulse.com interviewed Valastro back in May when he spoke highly of his father, family and children, saying the show hasn’t changed him. After it was confirmed that Valastro was intoxicated, he received his first ever offense.

How does an arrest impact your spouse and children?

Cupid's Advice:

To avoid a lifetime of guilt, read ahead to see the impact an arrest can cause in the long-run:

1. Disappointment: Your family will look at you differently and will be upset with you. This will also make people view you differently. Your credibility will change instantly and may last a lifetime, all because of one incident.

2. Being included: Your family will not want to include you in activities they normally wouldn't think twice about. You'll be on the outside looking in instead of the other way around.

3. Embarrassment: One of the worst results of getting in trouble with the law is that your spouse and children may be embarrassed by you. Not only will others view you differently, but they may keep their distance from your family as well. It's a bad feeling to have such an effect on the lives of those you love.
