Cupid's Advice:

Deciding your baby's full name can be a difficult decision, especially when there is a family name involved. This reality star chose the name that she thought best fit her celebrity baby. Cupid has some ideas on how to approach this situation and have the same reassured feeling:

1. Follow tradition: If this is a long tradition running in your family, maybe it is something that outweighs the cons when deciding on a name. If it's been passed down for years, do you *really* want to be the one who changes that?

2. Consider the significance: Does this name mean something important to you? If it does, you can strongly consider having it in your child's name. However, if it doesn't, don't let anything – or anyone – influence the decision.
