Is it important that your friends approve of your partner?

Cupid's Advice:

It's always nice to go into a relationship knowing that your friends approve, but is it a necessity? Cupid has some things

to consider:

1. Your friends can see things you can't: If your friends do not approve, then it is very likely that they feel your partner is not worthy of you. Take what they say into consideration, even if you don't agree.

2. Your friend's intentions: While it's nice to believe that all of your friends want what's best for you, it's also possible that a few of them have ulterior motives. Be careful about who you trust.

3. What you want: Despite what your friends say, the choice is yours alone. Be sure not to let your friends make your decisions for you.
