What are some ways to capture young love?

Cupid's Advice:

It's important to remember the days you were young and in love, and Cupid has some advice on ways to do it:

1. Scrapbook: Scrapbooking may seem like a "mom" thing to do, but you won't regret taking the time to put your photos and momentos together in an album for later viewing when you're older.

2. Social media: This is the most trendy way to capture your love. A couple years down the line, you can use your Timehop app to remember the good times!
