

# Single in Stilettos Show: How to Move On After a Breakup

On this week's [Single in Stilettos](#) show, founder Suzanne Oshima chats with dating coach and author Abiola Abrams about post traumatic love disorder, which refers to being stuck in the past and unable to heal after a tough breakup. First, you have to identify the signs of this disorder: bed hopping from man to man; spending late hours at the office to avoid dating; jumping into another bad relationship; and being afraid to be alone. If you recognize any of these symptoms in your behavior, it's time to find a cure, which includes five simple steps. Start by doing a self-assessment; then, list out past relationships and the lessons you've learned from them; next, learn how to love yourself unconditionally; additionally, learn more about yourself through the dating process; and finally, take baby steps towards meeting the right man.
