What are some ways to keep things civil after a breakup?

Cupid's Advice:

Breakups are tough, especially when one of the parties airs your dirty laundry. Cupid has some advice on how to keep things civil:

1. Stay offline: Just stay off the Twittersphere and Facebook with your personal information. If you need to vent, talk to a close friend or write it out in your journal. Once you post something on social media, it's hard to get it back. The last thing you want is to regret something down the line.

2. Don't fear counseling: If you are struggling after your split, don't be afraid to seek outside help. Talking it through with a therapist might be just the release you need. Someone who isn't invested in the situation and who is impartial can give you advice with an unbiased outlook.

3. Have fun: Go out with your friends, try new things and play. Life is short, so try not to get caught up in the past. Though it's easier said than done, those close to you can help.
