

Celebrity Couple Predictions: Helena Bonham Carter, Cameron Diaz and Chris Brown

With the new year finally here, there's bound to be a lot of exciting celebrity couple news for us to digest! Here are my predictions for three pairs who are currently popular in the media:

Helena Bonham Carter and Tim Burton: After thirteen years together, Helena Bonham Carter and Tim Burton have separated. The couple actually split earlier this year, and this news is just now coming out. In what appears to be one of the more amicable splits in Hollywood, they are staying friends because

they have two children together.

This separation shouldn't come as such a surprise. About a year ago, Burton was seen with a mystery blonde and accused of cheating. While he may not have been cheating, where there is smoke, there tends to be fire.

So what's next? Burton will attempt to make some movies without Bonham Carter, but that won't last for long. He will bring her back to his films. Even though they are no longer together, she is still his muse. Look for Bonham Carter to have a new boyfriend soon – a younger actor, someone who will be quite shocking. Let's not forget that, while she is quirky, she is an attractive woman. Her brilliance, beauty, and different appeal will keep the stud very interested.

Cameron Diaz and Benji Madden: The latest celebrity couple that is rumored to be getting married is Cameron Diaz and Benji Madden. Depending on what news source you believe, the two of them will be skipping down the aisle and having a baby as soon as possible.

This is a very interesting pair. When I take a look at their love energy, it isn't so cut and dry. It is not clear what will happen between them. This could be due to the fact that they are still trying to figure it all out. I do see problems for them down the road unless Diaz is more open to change in their relationship. She is a very independent woman. Let's just say that she is just fine without a man by her side. Some of that reasoning is because she has had no problem getting one; the issue is finding a guy that she wants to *keep*.

I wish this couple the best. Baby energy is circling Diaz, and she will make a great mom. Let's cross our fingers that Madden keeps Diaz interested, or this relationship may not last long.

Chris Brown and Karrueche Tran: Recently, the rapper proclaimed that he was single and went off about his ex-girlfriend dating Drake behind his back when he was in jail. It appears that it was all in his mind though. According to Drake, Tran's small bottom is not big enough for him to look at her twice. In case you didn't know, Drake loves a big booty on his woman.

Just when you thought they were finally over, it looks like Brown and Tran may be back on again. They were spotted all cuddled up at a club. One has to wonder if Brown will be able to have a healthy relationship. He has been diagnosed with bipolar disorder, which seems to be affecting some of his choices. Tran may want to stand by her man, but she's enabling him to treat her any way that he wants – which is never good!

This relationship will continue to be filled with drama. The on-and-off love will continue until Tran says "enough is enough" and moves on to get herself a new man to settle down with.
