Relationship Advice for the Early Stages of Dating

These dating experts share their best relationship advice for what keeps a man's attention after the first few dates. In the

beginning, of course, your chemistry is based primary on your looks, the way you smile, and how you smell. But if you want him to stick around, you have to make him happy. It's really as simple as that! The best way to do so is by communicating clearly. Men get confused easily, so say what you mean and mean what you say. If you follow this relationship advice, you'll quickly move from "just dating" to a committed partnership with the right guy.
