Cameron Diaz is in a permanent state of happiness after her extravagant celebrity wedding and honeymoon with husband Benji Madden. What are three ways you can keep your relationship exciting when the wedding festivities are over?

Cupid's Advice:

Some of the excitement in a relationship and love can die down after an exhilarating couple of months of being engaged and then having a beautiful ceremony, celebrity wedding or not. Keep in mind that your relationship needs nurturing, so make things exciting after the festivities are over:

1. Little rituals: Small, little rituals like making coffee for each other in the morning or going out to a game together every now and then like Diaz and Madden do, can keep your partner on their toes and excited. Consider leaving random gifts around the house for your spouse to find or having small gifts to delivered to him or her at work.

2. Declare your love creatively: Keep a board up in the house that says 'I love you because...' and take turns writing the reasons each day. It's a fun random surprise that is a nice way to remember and acknowledge one another regularly.
