Teleflora Giveaway: Swirls of Love Bouquet

The Swirls of Love bouquet captures the essence of relationships and love through its traditional roses and classical flair. The deep red combined with the vibrant pink make these blooms the ideal present for your loved one. The red roses stand for love and romance, while the pink ones represent appreciation and gratitude – all things you want to tell your partner on this special occasion. The varying sizes of the roses look beautiful in an artistic glass vase and help you convey feelings that you may not be able to put into words.

Men, flowers have always been the go-to gift for women. There's just something about Valentine's Day that goes hand in hand with flowers, so why stray from tradition? If your sweetheart is a worker-bee, send the bouquet to her office. Or if you live in separate cities, surprise her with them at her home; they'll serve as a sweet reminder that you're spending the special holiday together in spirit.

And women, men love to receive flowers too! A Swirls of Love bouquet will let your sweetheart know that you care and appreciate them. Cook a divine dinner for two, centering the roses in the middle of the table. The roses will set the mood, and he'll be in awe of the second prettiest sight in the room as you enjoy a romantic meal.
