Cupid’s Advice:

When it comes to celebrity love, it’s in the public eye for us all to see and learn from. Cupid has some love lessons to take note of:

1. Talking helps: Communication is key for every relationship in our lives. Whether it’s an interpersonal romantic relationship or the relationship we have with our family and friends, conflict is inevitable and is a part of life. In fact, it can be healthy. If you don’t care enough to sometimes argue with your partner, maybe you’re settling with being content instead of having a passionate relationship. Life isn’t all diamonds and roses, and working through conflict with your partner makes you both grow stronger together. Talking always helps, so no matter what you and your partner are experiencing – talk it out!

2. If it isn’t broke don’t fix it: Why try fixing something that isn’t broken? When you’re in a relationship, you and your partner should always work on evolving together to be the best people that you can be. It’s great to learn from each other, get one another to try new things and achieve mutual goals.

That being said, don’t start causing problems when there isn’t an issue. If something is bothering you, address it with your partner right away. Don’t dwell on things that are fine. Instead explore your happiness in your relationship!

3. What goes around comes around: It’s obvious that when you show love, you often receive it in return. Use this to your advantage by being the best partner that you can be. Treat your partner like a king/queen, and they will reciprocate. It all starts with loving yourself as an individual first, and then you can truly love someone else fully.!
