It's rare to find positive celebrity love stories these days. What are three ways you can improve your relationship and love life?

Cupid's Advice:

If you're looking to improve your relationship and love life, you may want to take some advice from this famous couple. Being in a relationship should make you a better person, so make sure your partner is motivating you on that level.

1. Lead by example: Take a note out of Spears' book, and just lead by example. If you strive to be the best you can be then that will rub off on your loved one and it will encourage them to do the same. Make sure you ask yourself, “Does my partner inspire me to be a better person?” If not, this may not be the relationship for you.

2. Give honest and sincere appreciation: Make sure your partner knows that you appreciate all the hard work they put in to every facet of their life, whether it be in work, helping others, family life, or in the relationship itself. This will inspire them to continue improving which will in turn encourage you to do the same.
