New celebrity couples aren't the only ones navigating new relationships. What are three things to keep in mind at the beginning of a relationship?

Cupid's Advice:

At the beginning of a relationship and love, it is the time to get to know each other and have fun. Cupid has three things to keep in mind:

1. Keep your future in mind: At the beginning stages, it can be easy to get swept up in the moment by just having fun and keeping it casual. That being said, make sure you are

remembering what you want and need from a relationship. If you know you want kids and to settle down in the next couple years, this is something to bring up sooner than later.

2. Be honest: Starting off on the right foot in a relationship means staying in an honest place. By doing so you will be able to be yourself and be a stronger couple for it. For instance, if your new love interest asks your views on raising children, let him or her know how you feel outright. It may save you a lot of wasted time.

3. Let the good times roll: Remember to have fun! Get to know each other, and explore the exciting possibilities of a new partner. Keeping all of your conversations serious and deep can take a toll on a new relationship, so you need to make sure you can have fun together, too.
