Dr. Kirschner shares the following [love advice](#): Have fun in and out of the bedroom; be radiantly happy; don't be a drama queen; make him feel good about you; and be patient with where

you're at in the relationship process. While there's no set timeline, your partnership should always be moving forward. No matter what, though, never give a man an ultimatum; you don't want to force him to be with you exclusively before he's ready.
