By Maggie Manfredi

"No Kanye; you're awesome!" According to UsMagazine.com, famous couple Kim Kardashian and Kanye West were not shy when it came to public displays of affection at the Brit Awards on Wednesday. Mrs. West posted a picture with her hubby on Twitter the night of the awards showing her licking Kanye's face! This was one of many posts from the celebrity couple. The *Keeping Up With The Kardashians* starlet introduced Kanye's performance at the awards and thoroughly enjoyed herself with other A-listers throughout the night. The Hollywood couple was seen in photos with Taylor Swift and Sam Smith during the event, and had nothing but love for each other.

Famous couples can't show PDA without the whole world knowing, but that's the point, right? What are some ways to show your partner you care in public?

Cupid's Advice:

PDA: Public display of affection. Kim Kardashian and Kanye

West do it, so why can't you? Cupid says you can, but there are some guidelines to showing your lover you care in public:

1. Keep it simple: Kim Kardashian made a bold move with the tongue to cheek PDA action. If you want to show your partner you care in public, it's probably best to keep it simpler than Kimye's celebrity love, and there are plenty of ways to do so. Holding hands, hugs, or a hand on the knee are all options. Cupid advises you keep your tongue out of it when it comes to public affection.

2. Be comfortable: Opinions are all over the board when it comes to PDA, so don't be afraid to talk about it with your partner. Some people are bold, like celebrity couple Kim and Kanye, while others don't even want to touch in public. Make sure you are both comfortable with how you display affection in public so that it is mutually enjoyable.

3. Feel the room: Not every place is appropriate for affection. A bench to yourselves in a public park is okay for a little light canoodling, whereas a packed public train would be inappropriate and most likely inconsiderate. Cupid is happy you cannot keep your hands off of each other, but affection is usually best shared in private.
