Ben Affleck

Ben Affleck is certainly the #mancrushmonday for many ladies! Not only is he good-looking, but he's immensely talented as an actor, producer, and screenwriter. Before he got all of those resume credits under his belt, he was just a kid who was running around Cambridge, Massachusetts with childhood friend Matt Damon. His big break came in 1997 in the Academy Award-winning film *Good Will Hunting*. After a great performance with long-time buddy Damon, the actor began landing parts in other great films, including Shakespeare in *Love, Dogma, and Forces of Nature*. More recently, he produced, wrote, and starred in Golden Globe-winning film *Argo*. He also appeared in films like *Runner Runner* and *Gone Girl*. He will play Batman in *Batman vs. Superman*, which will premiere in March 2016.

Throughout the late 90s, Ben Affleck had an on-and-off [relationship and love](#) with Gwyneth Paltrow, which lasted until

2000. After Paltrow, he was rumored to be with a series of different women, including Salma Hayek, Jaime King, and Famke Janssen. In 2003, he announced his celebrity engagement to Jennifer Lopez, who he co-starred with in the film *Gigli*, but the two never made it down the aisle. He seems to have a thing for Jennifers and soon began a celebrity relationship with Jennifer Garner, his co-star in the film *Daredevil*. He proposed to Garner on her 33rd birthday, and the two got hitched when she was three months pregnant with their oldest daughter, Violet Anne. They went on to have two more children, daughter Seraphina Rose and son Samuel Garner. In June 2015, the famous couple surprised fans and announced their celebrity divorce after 10 years of marriage.
