Is it important that your partner fit in with your family?

Cupid's Advice:

Having your family accept your partner is only half the battle. The other half is getting your family to actually like him. While some deem this effort unnecessary, having a significant other who fits in with your family makes life much easier. Here are some benefits:

1. Peace of mind: When families get together, especially during the holiday season, it's nice to know that there aren't any snide or frustrated conversations occurring behind your partner's back.

2. Willing favors: While your family would never turn their back on you and your partner when the two of you are in need, they will be more likely to grant a favor with a smile on their face if they genuinely approve of your relationship.

3. Frequent visits: When your partner feels comfortable visiting your family with you, you're able to spend more time with all of the people you love.
