Celebrity ex or not, it can be tough to look back on your past relationship and love life with fond memories. What three memories are hard to let go when you break up with someone?

Cupid's Advice:

Cupid knows it can be tricky to cope with a break-up, and sometimes that has to do with lingering memories. Cupid has memories that are particularly hard to let go of post-break-up:

1. Intimacy: Of course, the first thing that comes to mind is letting go of your memories surrounding the intimacy in your past relationship. If you were with someone for a long time, it probably means you were very much attracted to them. Those flashbacks can be tough to release.

2. Special dates: Whether it was an anniversary extravaganza or a surprise birthday bash made for the tabloids, you'll be hard pressed to forget those good times. They will always remind you of your ex. That being said, don't let them become tainted. Just because you aren't with you ex now, doesn't mean you should regret the whole relationship.

3. Pets: If you and your former partner got a pet together, and you ended up getting to keep said pet, it's going to be difficult to move on from all memories pertaining to your former "family." As they say, "Time heals all wounds." This may or may not be true, but hang in there, because things are bound to get better! Memories fade.
