We're happy for Shia and Mia … if they're actually toasting to a celebrity engagement. What are some ways to handle gossip and rumors in your relationship?

Cupid's Advice:

People are going to talk no matter what; that's just life. The best way to handle gossip and rumors in your relationship and love is to always take the high road. Like Bonnie Raitt sings, "Let's give them something to talk about!" Cupid has some tips:

1. Stay strong: No matter what the situation is, always stay strong and take the high road. Remember there is always light at the end of the tunnel, and you and your partner will get through it! Don't worry about what people say; all that matters is what you and your partner think and feel!

2. Give them no attention: Instead of paying attention to those gossiping and spreading rumors, put your focus on your partner. People want you to react and get upset, as rumors are started to hurt people — so don't let them win. Be tough like the soldier you are!

3. Address it amongst loved ones: When things are going around, there is no telling who may hear it. Once you learn the rumors and gossip swirling around, address it with your loved ones. It'll be better for them to hear it from you and your partner. Then you can all hold a solid front, like families do! Keep on keepin' on.
