By Maggie Manfredi

Another hit from Trainor! According to People.com, Meghan Trainor released her new music video for pop song "Dear Future Husband" on Monday. The song from this single celebrity features Trainor herself, competing bachelors, a suburban backdrop, all set to her upbeat song. The songstress also announced she will begin her tour, MTrain, starting in July. The question is, will Trainor be a single celebrity for much longer?

Single celebrities face challenges “auditioning” for the right partner, too. What are three ways to measure your future dates?

Cupid’s Advice:

Finding the right match can be a tricky thing, even for single celebrities like Trainor! Cupid has some dating advice on how to evaluate your potential matches:

1. What are you looking for?: It’s not only about the things that attract the eye, but also what your futures hold. Are you both single and looking for something casual, or is one of you thinking you’d like to settle down and start a family? These are some things to figure out early on in your relationship and love life with someone.

2. Etiquette early: It may be a bit old fashioned, but there’s nothing wrong with simply being polite! Does your date have manners and treat you with respect? Perhaps he or she even holds the door for you? Take these moves into consideration, because if your date is rude, that is a quick deal breaker in Cupid’s eyes.

3. If you want to be my lover...: Yes, it is the Spice Girls special, and as they say, “You gotta get with my friends.” Make sure your date is not only compatible with you, but is also compatible with the people you care about most in your life. If this person is going to be your partner, you need the support of your friends and family. Trainor sings, “Don’t

leave me lonely and know we'll never see your family more than mine."
