Product Review: How to Get Over Past Relationships and Love

With the option to buy or sell used items – whether it's as small as a t-shirt that smells like him or as big as a sparkly engagement ring – users can finally get rid of items that are haunting them. For instance, following a divorce, a ring retailing for 6,000 dollars is being sold for nearly half the price at only 3,400 dollars. Not only does the site help ease people of their woes post-split, but it also acts as a marketplace to score items at awesome deals (or “break-up priced”).

Even without her ex's “stuff” laying around, a failed

relationship and love can be hard to recover from, so the website also includes their [Bounce Back Box](#) to make the process easier for your pal. The box includes over 100 dollars worth of items but sells for only 40 dollars. It's a great gift if you want to support your newly single friend and can be a good complement to all the love advice you've been giving her! Your BFF is sure to start feeling fabulous again with several of the pick-me-up items found in the box, including Elizabeth Mott mascara, Buxom lip gloss, Kitsch hair ties, and online dating passes from Match.com.

Help your friend say "take that!" to her break-up with NeverLikedItAnyway.com and the Bounce Back Box, and be prepared to see her smile again!
