Celebrity gossip is spilled out all over the tabloids. What are some ways to cope with gossip surrounding your relationship? Cupid has some tips for you.

Cupid's Advice:

Whenever things about you are being said in the tabloids or for people to hear out in public, it can be a difficult thing to shake off. It's important to remind yourself that all that matters is how you feel and what the people you love think. Cupid has some love advice on ways to cope with gossip surrounding your relationship:

1. Let it roll off your back: People are always going to talk, so give them something to talk about. Who cares what people say about you and your relationship? All that matters is what you think and what those who you love think. Ignore the petty gossip that is surrounding your relationship, follow your heart and keep on keepin' on!

2. Haters are gonna hate, just love love love: It seems that when people find happiness in life, others become bitter and try to take that away. The key thing is to not let them win. What they think is irrelevant to your life. Focus only on those who matter to you. Haters are always going to hate, so make sure to follow Teresa Giudice's motto and just, “Love,

love, love!”

3. Keep on the sunny side: Just like the Johnny Cash and June Carter song, “Keep on the sunny side, always on the sunny side. Keep on the sunny side of life.” Always stay positive no matter what is going on in your life. You and your partner should only pay attention to the feelings and commitment you have for one another.
