How do you keep your new man under wraps?

Cupid's Advice:

If you are in the public eye or simply just a private person, you may want to keep a new relationship to yourself. Cupid has some tips:

1. Avoid social media: Information travels fast online. Don't

slip up and announce your relationship on Facebook when you aren't ready to announce it in real life.

2. Frequent less conspicuous places: If you don't want everyone to know your business, don't go on dates in the locations you normally do. Branch out.

3. Keep it all behind closed doors: Even better than not visiting the locations that you normally do, don't leave the house! It's perfectly possible to have a romantic dinner and movie within the confines of your home. Plus, there's close to no chance of a peeping tom.
