him.” Cyrus has continued on with a surprise appearance and work trip to Las Vegas, while her boyfriend has been staying out of the spotlight for now.

It looks like we have a case of celebrity couple heartache! What are some ways to cope with trust issues surrounding your partner?

Cupid’s Advice:

Trust and honesty are both key elements in a successful relationship. Especially if you are like Schwarzenegger and Cyrus, traveling and working a lot. Cupid has some tips on how to deal with trust issues:

1. Open communication: Make sure that you and your partner make communication a top priority, especially if trust issues are coming into play. Be honest, kind and simply talk things out. If things are becoming worse or you need outside help, don’t be afraid to seek counseling to open up the channel of communication together.

2. Set guidelines: If you or your partner are traveling or going out solo, set some rules so that there are no surprises. Let them know if you are going to be texting during the night, or if you just expect a call before bed. Make sure you know what kind of communication is going to take place and handle whatever else you feel is necessary before being apart. Having space is part of a healthy relationship, knowing how to handle it is what makes couples stronger.

3. Past relationships: A good portion of trust issues in current relationships stem from bad experiences in past ones. Be open about those experiences, especially if they affect the trust you have in your new partner. Also, be aware of that prejudice can sneak in even before your partner gives you a reason to distrust.
