Cupid's Advice:

Pregnancy is amazing and exciting for you and your significant other, but it can also be hectic and overwhelming. It's important for you to take some time to enjoy this moment! Cupid has some relationship advice to help you do so:

1. Plan a babymoon: Babymoons are quickly becoming more and more popular, and it's easy to see why. Like a honeymoon, you and your sweetheart can get out town for a few days and spend some quality time together. Even if you do a staycation, it can be beneficial for your relationship and love to just relax and enjoy each other's company before there's a new addition to your family.

2. Take lots of pictures: You're going to want to document this time in your relationship! It can go by fast, and you two will enjoy having pictures and video to look back on. They'll also be great to show your little bundle of joy when they're all grown up. You may even consider getting professional photos taken for you to frame and hang in the nursery.
