

Kristin Cavallari

Whether she was the girl you loved to hate or hated to love, Kristin Cavallari was one of the most entertaining characters on the MTV shows *Laguna Beach* and *The Hills*. She was born in Denver, Colorado and moved to California with her dad after her parents divorced. *Laguna Beach* cast the [reality TV](#) star in a negative light and often showed her facing off with castmate Lauren Conrad over her on-again, off-again relationship and love with Stephen Colletti. In 2009, Cavallari confirmed that she would be taking Conrad's place in the spin-off series *The Hills*. She has since appeared on *Dancing with the Stars* and showed off her acting chops on *CSI: NY*, National Lampoon's *Van Wilder: Freshman Year*, and more.

In addition to her celebrity relationship with Colletti, she dated castmates Brody Jenner and Justin Bobby. In 2010, she first stepped out with Chicago Bears quarterback Jay Cutler.

In April 2011, they announced their celebrity engagement, only to call it off in July and reconcile again in November. The famous couple, who live in Chicago, wed in Nashville in 2013 and have two sons, Camden and Jaxon. The reality TV star announced her third celebrity pregnancy in May 2015, and gave birth to her first daughter, Saylor, November of that year.
