We envy Justin Timberlake's celebrity love life! What are some ways to show you care for your partner in public?

Cupid's Advice:

While you may not be giving a shout out to your celebrity love on an awards show, there are other ways that you can show you care for your partner in a public setting. Doing small things in public for your partner is a public declaration of the care and love that you have for your significant other. Here are Cupid's tips for how to show your love that you care:

1. Tasteful PDA: There's nothing wrong with public displays of affection, as long as they're not inappropriate and making people around you uncomfortable. Holding your partner's hand, giving them a little peck on the lips, or giving them a kiss on the forehead are some acceptable forms of affection to show that you care for your significant other.

2. Public marriage proposal: While some people prefer to keep their proposals private, public marriage proposals can be a great way to show your partner, and everyone around, that you care for and love your significant other. This act is a declaration of love that, depending on who your partner is, can be special and memorable. Ask your partner to marry you on the Jumbotron at a sporting event, or do it in the middle of a restaurant while you're having dinner with family and friends.

3. (Limited) Social media shout outs: Telling your Instagram

followers that your partner is your “man crush” on Monday is sweet, but not if you write three paragraphs under his picture every single week. Write out a cute, heartfelt, and brief post about your significant other for their birthday, or just a random day of the week to show the world you care.
